

REMARKS

This Third Preliminary Amendment corrects errors noted in the reference numeral designations noted on formal drawings on file in the above identified patent application. The required correction (with reference to the original formal drawing filed on October 18, 2001), is shown in red on the drawing sheet enclosed herewith.

As indicated hereinbefore, a replacement drawing sheet incorporating all of the aforementioned corrections is also enclosed herewith.

No modification to the substance of the Drawing, other than to correct the aforementioned designations, has been made or is intended.

It is respectfully requested that preliminary to examining the application the correction to the previously filed formal drawing be entered into this application.

A separate copy of this correction to the formal drawing has been mailed on even date herewith to the Official Draftsman.

No additional fee is due for the filing of this Third Preliminary Amendment.

Examination and allowance of the above identified application at an early date is respectfully requested.

RESPECTFULLY SUBMITTED,

Joseph S. Kaliko
